additional charge to be defined**

Oro 18K e platino in terzo fuoco,
supplemento da definire

Additional colors upon request.

Colori fuori standard su richiesta.

Colors chart is purely representative.

La tabella colori è puramente
rappresentativa.

**In the “Raku” technique, natural pure
elements as oxygen and fire, randomly
work together. For this reason, the result
is always different with the creation of
unique pieces, impossible to duplicate.**

Nella tecnica “Raku” coincidono
direttamente e casualmente fattori
naturali, come l’ossigeno, e specialmente
il fuoco. Per questo motivo il risultato è
sempre differente con la creazione di pezzi
unici, irripetibili.
